Competitor Evaluations Received: 52 Number of Changes of Regions declared: IN 38, OUT 111

Successes: Most competitors said the arenas were well groomed. The weather was very good. The show office and volunteers were praised for their helpfulness and kindness. The award ceremonies were well run.

Limitations: Many competitors wished all arenas and warmups had the same footing as the Dee Dee Arena. The dirt/clay footing was too deep for some, and maintenance problems reported in those arenas. Several competitors said it took too long for scores to be posted. The area for trailer parking was not clearly marked.
